

Serial No. 09/508,136
Docket No. KEL001PA

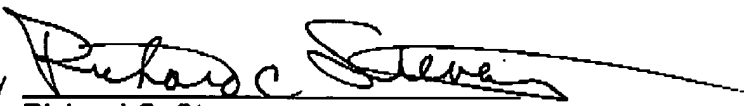

REMARKS/ARGUMENTS

Applicant's attorney contacted Examiner Deb regarding the response to the identified Notice Regarding Drawings and Examiner Deb indicated that, if submitted, this amendment would be entered to correct the specification to correspond to the corrected drawings as required by the Notice. Examiner Deb's assistance in this matter is appreciated. The corrected drawings are being separately submitted to the Draftsperson.

In the event that the drawing changes and amendments to the specification are not possible in view of the late date at which the Notice Regarding Drawings was issued, i.e., nearly one month after payment of the issue fee, applicant respectfully requests that the Notice Regarding Drawings be withdrawn and that the application passed to issue.

If the present amendment raises any questions or Examiner Deb believes that an interview would be of assistance, he is respectfully requested to contact the undersigned attorney.

Respectfully submitted,
STEVENS & SHOWALTER, L.L.P.
